EA GAMES™ Presents:

*Harry Potter and the Sorcerer's Stone™**

PlayStation®

Product Description

Leave the nonmagical world behind and enroll in Hogwarts School of Witchcraft and Wizardry™ in *Harry Potter and the Sorcerer's Stone™* for the PlayStation. Be Harry Potter™ , wizard-in-training, learning to master all things magical in a world filled with adventure, fun, and danger. Encounter breathtaking challenges and unforgettable characters from J.K. Rowling's worldwide bestseller.

Players take the role of Harry Potter as he enrolls in Hogwarts™ and embarks on a journey to unlock the secrets of his own magical abilities. Along the way, players will experience a series of challenges inspired by the book's story line, such as a 3D "roller coaster" ride through Gringotts™ and a flying broomstick chase to retrieve the Remembrall™ for Neville Longbottom™.

The game features extensive platform-style gameplay within Hogwarts School of Witchcraft and Wizardry™. Players will encounter more than twenty unforgettable characters from J.K. Rowling's magical world as they explore numerous 3D environments faithful to Hogwarts and its surrounding grounds, as well as traversing interactive environments with moving stairways and secret passageways.

Harry Potter and the Sorcerer's Stone™ for the PlayStation will be the first appearance of the popular young wizard on a home console, promising a faithful interactive adaptation of the book's story line.

In addition to the PlayStation, *Harry Potter and the Sorcerer's Stone™* will also be published for the PC, Game Boy® Advance, and Game Boy Color system. Each version will take advantage of the platform's hardware to deliver the ultimate Harry Potter™ experience.
